AAU ranked among 50 top Arab universities by QS

Al Ain University (AAU) has been ranked within the top 50 Arab universities according to the “QS Arab Region University Rankings 2022”, which is one of the most prestigious international systems for ranking universities based on their quality of education, academic & employer reputations, scientific research outputs, and the performance & skills of the graduates.

Dr. Noor El Deen Atatreh (AAU Chancellor), said; “We are very proud of this important achievement, especially that Al Ain University has significantly improved its rank from last year”. He also added, that these achievements are reflecting the wise leadership vision and its unlimited support for the education and scientific research sector, and this rank is a main evidence of the strong presence of Al Ain University among the universities in the Arab region.”
