Al Ain University Earns AACSB International Accreditation

The College of Business at Al Ain University has earned the AACSB international accreditation. AACSB is obtained by distinguished business schools around the world, which indicates that Al Ain University has been able to achieve standards of excellence in education and quality in the programs of the College of Business.

The AACSB founded in 1916, is the longest-serving global accrediting body for business schools, and the largest business education network connecting learners, educators, and businesses worldwide. Obtaining the AACSB international accreditation is an assurance towards quality of education in any educational institution that offers degrees.
