Meeting new students is an opportunity to enhance communication

The Deanship of Student Affairs at Al Ain University organized an orientation meeting for the new students who joined Al Ain University by the beginning of the academic year 2022-2023 at both campuses, Al Ain and Abu Dhabi.

Prof. Ghaleb El Refae, AAU President, emphasized the academic advising role for new students. Also, he encouraged the students to reach out for the academic and administrative staff who are available to help, support, and provide all the services to create a positive university atmosphere.

The orientation meeting at Al Ain was attended by Prof. Ibtehal Abu-rezeq Vice President of Development and Follow Up and the Dean of Student Affairs, who encouraged students to participate in extracurricular activities during their academic journey to create a recreational atmosphere beside their studies, stressing that the Deanship of Student Affairs is fully prepared to meet all the students' mental, physical and emotional needs. The meeting was also attended by the college Deans who introduced themselves to the students, stressing their keenness to help the students, solve their academic problems and provide them with advice and guidance.
