AAU Students –Abu Dhabi Campus- participate in “Arab Environment Day”

On the occasion of “Arab Environment Day”, A Group of Al Ain University of Science and Technology students participated in a cleaning campaign at Al Corniche, Abu Dhabi in collaboration with “Environment Friends Society”, where the students met with the association’s delegation who provided them with a detailed explanation about the association and its goals in preserving the environment, maintain the human safety, and to raise the level of environmental awareness in the United Arab Emirates. Then the students toured at Al Corniche and clean up the beach with the participation of the association members.
