Educational trip to “Dubai Gold and Commodities Exchange”

The College of Business Administration at Al Ain University of Science and Technology –Al Ain Campus- has arranged an educational trip for the Accounting and Finance students to “Dubai Gold and Commodities Exchange” (DGCX), accompanied by Dr. Ahmed Abou Samak and Dr. Yousef Hassan.

The visit included an informative and educational presentation by Mr. Simarjeet Baweja, Head of DGCX academy who explained the trading processes in detail. The discussion included the market operations the types of traders, trading and investment strategies of commodities and currencies, the trading process and bid and ask price.

This visit came from the university believes in the importance of the educational trips in providing a valuable educational opportunities away from the classroom, without using textbooks and other tools used in a normal university setting. In addition to this, the students often learn more in a formal environment and can give students exposure to places they might not otherwise have visited by gaining new perspectives on the financial world.
