AAU's raising slogan "With learning we grow up" in the Year of Giving

In cooperation with Al Asraa Private School and Al Tafawoq Al Elmi Private School, the students of Al Ain University of Science and Technology participated in distributing school stationery for more than 40 students of needy families, under the supervision of the Deanship of Student Affairs, coinciding with the start of the school year and to spread joy among children in the Year of Giving.

Mr. Sahm Al Damor, manager of Al Asraa Private School, and Mr. Ahmad Abd Al Fatah, Manager of Al Tafawoq Al Elmi Private School, provided their special thanks to Al Ain University of Science and Technology and its management, as well as university students, for this good initiative.
