AAU Celebrates students achievements of the College of Education

The College of Education, Humanities and Social Sciences at Al Ain University of Science and Technology celebrated the students' works who presented their graduation projects and completion files, at Al Ain Campus, in the presence of Prof. Ghaleb El Refae, AAU President, Dr. Majed Al Jallad, Dean of the College of Education, Humanities and Social Sciences, Dr. Ibtehal Aburezeq, Dean of the Student Affairs, Colleges Deans, academic and administrative staffs and AAU Students.

The ceremony included a documentary movie on students experiences in the field training. Student Sharifa Al Sawafi presented a speech on behalf of the graduates, also, student Zayed Saleh Abdullah delivered a poem, and at the end, winners with the best achievement file were honored by AAU President, followed by the opening of the exhibition.

Prof. El Refae was delighted in seeing how the educational programs have reflected positively upon the students' effort and brought new ideas to enrich the outcome of students in terms of academic achievements and educational outputs after completing the courses.

Dr. Al Jallad stressed on the importance of this day to exchange educational experiences. He added It is also an opportunity for students to exert great efforts in research and follow-up in the preparation of these files according to scientific bases that meet the requirements of academic preparation.

The achievements portfolio reflected all the sciences and experience acquired by the students through their training period.
