As part of ongoing events in celebration of the Year of Zayed, the Deanship of Student Affairs at Al Ain University of Science and Technology, Al Ain Campus, launched an initiative entitled "Suqya Zayed" distributing bottles of water and other cold drinks to laborers working outside during the afternoons.

The initiative aimed to contribute to reducing the effects of the summer heat on those laborers and to increase their feelings of wellbeing. It also reflects the spirit of the Year of Zayed 2018, and the good principles and values ??instilled in the UAE community by the late founding father Sheikh Zayed bin Sultan Al Nahyan.
