Al Ain University shed lights on “Zayed” the legend

Al Ain University of Science and Technology represented by the College of Mass Communication and Media hosted Dr. Aisha Bilkhair, Director of the Research in National Archive, to present a seminar at Abu Dhabi Campus entitled “Zayed glory of the past, the legend of the present and future maker”. The seminar was conducted by Dr. Soad Matar and Dr. Yousef Humaid.

During the seminar, Dr. Bilkhair reviewed the history and civilization of the United Arab Emirates through her late founder, Sheikh Zayed bin Sultan Al Nahyan, and the great role played by him from the establishment until the Union of the United Arab Emirates, And his achievements at all levels to elevate the UAE to the ranks of developed countries. In addition to his constant quest to achieve the welfare and safety to citizens.

Dr. Aisha expressed her happiness with her visit to Al Ain University of Science and Technology, and recommended students to work diligently, adhere to customs and traditions and to take wisdom and lessons from the attitudes and life of the father Zayed, may God rest his soul.

It is worth mentioning that the seminar was attended by a large number of academic and administrative staffs and students.
