AAU team won the Collision Balls Tournament

The team of Al Ain University of Science and Technology participated in the Collision Balls Tournament organized by NEUM Events Management and under the patronage of HE Sheikh Saeed Bin Tahnoun at Mubazzarah in Al Ain.

AAU participated with three teams consisting of academic staff, Male and Female students, where the first team won 3 points against the organizers team and the female students won 3 - 2 VS Al Khaleej company.

In this context, Dr. Majed Al Saleh Associate Professor from the College of Education, Humanities and Social Sciences, said that the aim of participating in this tournament is to activate the role of sports activity in the university through participation in external events and interact with the community. As well as, motivating students to exercise, and energize themselves, promote the sports culture and having a healthy lifestyle.
