## Enjoyable entertainment vibes in "Donate and Have Fun"

In cooperation with the College of Pharmacy, the Administrative Unit at Al Ain University (Abu Dhabi Campus) organized an entertainment event entitled Donate and Have Fun, which included recreational games and a bazaar for food and handicrafts. The event's most prominent feature was that the proceeds went to heart and diabetes patients, with the support of the UAE Red Crescent.

The College of Pharmacy students provided advice and instructions to raise awareness of diabetes and pressure diseases, in addition to free examinations for students and visitors who spent fun times playing fun games.

The event was attended by Prof. Ghaleb El Refae- AAU President, Prof. Amer Qasem- AAU Vice President (Abu Dhabi Campus), Prof. Ibtehal Abu Rezeq- Vice President of Development and Follow Up, in addition to Deputy Deans, and students.

Mr. Mohamed Zaidan, Administrative Unit Manager (Abu Dhabi Campus), stressed Al Ain

University's keenness to organize entertainment activities for students in cooperation with the AAU colleges and units, aiming to entertain themselves and create a university environment that suits their needs.
